PANSY SUPER SWISS GIANT MIXTURE

Prospects appear favorable for an average crop of Pansy and Delphinium. The attached check list is for your convenience in ordering. All of the Pansy seed is ready for immediate delivery. Good Pansy seed cannot be produced cheaply. We are confident that our strains are second to none in the commercial field. Early delivery, quality and strong germination are major considerations of your customers. Our Pansy seed will satisfy your best trade.

Delphiniums were especially outstanding this spring. In particular the Hybrid Pacific Giant strains. These tall, stately plants grow often to better than six feet high in our fields. Four foot spikes covered with full double florets are not uncommon. Please refer to our 1954 catalog for a complete list of all perennials. Our plantings of Aquilegia, Carnation, Campanula, Dahlia, Hollyhock and Iceland Poppies were very colorful this year.
